

Swiss International Scientific School Dubai, Dubai

INFRASTRUCTURE & FACILITIES

Facilities are modern and exceptionally well designed. Learning spaces are flexible and innovative. Technology integration is strong. Maintenance standards are high. Safety is clearly prioritized. The environment supports learning extremely well.

ACADEMIC QUALITY & CURRICULUM

The curriculum is rigorous and globally oriented. Students are encouraged to think critically and creatively. Academic expectations are high but supported. Teaching is engaging. Progress is closely monitored. Academic quality is excellent.

PARENT-TEACHER COMMUNICATION

Communication is professional but sometimes formal. Updates are shared regularly. Teachers are responsive once contacted. Some information could be more proactive. Overall communication is adequate. Consistency could improve.

STUDENT EXPERIENCE & WELLBEING

Students feel supported and confident. Wellbeing is integrated into daily routines. My child enjoys attending school. Peer relationships are positive. Support systems are accessible. The environment feels balanced.

TEACHER QUALITY & STABILITY

Teachers are experienced and committed. Instruction is consistent. Staff collaboration is evident. Turnover has been limited. Teaching quality is reliable. Confidence in staff is high.

SCHOOL LEADERSHIP & COMMUNITY

Leadership communication can feel distant. Parent engagement opportunities are limited. Decisions are not always clearly explained. Community connection feels weak. Trust could improve. A more open approach is needed.

RESOURCES & CAPACITY

Rapid growth has clearly strained school resources. Support services are overwhelmed. Access to additional help is extremely limited. Teachers appear overburdened. Capacity planning feels reactive rather than strategic. Students are impacted by these shortages.
