

Metropolitan School Panama, Panama City

INFRASTRUCTURE & FACILITIES

The campus is clean and welcoming for students. Classrooms are well organized and support daily learning needs. Outdoor areas are appreciated, though they can feel busy at times. Maintenance issues are usually addressed promptly. Safety measures are visible across the school. Overall, facilities meet expectations.

ACADEMIC QUALITY & CURRICULUM

The curriculum feels structured and aligned with international standards. Students are challenged while still being supported. Academic expectations are clearly communicated. Teaching focuses on both skills and understanding. My child feels engaged in lessons. The academic program feels solid.

PARENT-TEACHER COMMUNICATION

Communication can feel inconsistent across different departments. Some updates arrive late or lack detail. It is not always clear whom to contact for specific concerns. Follow-up sometimes requires reminders. This can be frustrating for parents. Clearer communication processes would help.

STUDENT EXPERIENCE & WELLBEING

My child feels comfortable and safe at school. Wellbeing is addressed through daily interactions. Students are encouraged to participate in activities. Peer relationships are generally positive. Support is available when concerns arise. The atmosphere feels caring.

TEACHER QUALITY & STABILITY

Teaching quality is generally good, though it varies by class. Some staff changes have affected continuity. New teachers are supportive but still settling in. Standards remain acceptable overall. Stability could improve further. The experience feels mixed.

SCHOOL LEADERSHIP & COMMUNITY

Leadership appears approachable and open to feedback. Community events help families feel connected. There is respect for diversity within the school. Decisions are usually communicated clearly. Parents generally feel welcomed. The community atmosphere is positive.

RESOURCES & CAPACITY

Some resources feel stretched as the school grows. Support services are not always easy to access. Class sizes can impact individual attention. Teachers work hard to manage demands. Capacity planning could improve. Additional resources would benefit students.
