

British International School, Unknown

HO CHI MINH CITY

Positive, Facilities are modern and well equipped. Classrooms support interactive learning. The campus feels thoughtfully designed.

Positive, The curriculum is rigorous and internationally aligned. Expectations are clear. Students are challenged appropriately.

Positive, Communication is timely and informative. Teachers are approachable and responsive. Parents feel included.

Positive, Students appear happy and engaged. Wellbeing is taken seriously. The environment feels supportive.

Neutral / Mixed, Teachers are skilled, though some turnover has occurred. Adjustments take time. Greater stability would help.

Positive, Leadership fosters a strong sense of community. Parents feel welcomed. The culture is inclusive.

Neutral / Mixed, Resources are generally strong but can feel stretched during busy periods. Support is available, though not always immediate. Additional capacity would help.
