INFRASTRUCTURE & FACILITIES

Facilities are modern and well maintained. Learning spaces feel purposeful and organized. Technology is integrated smoothly. Common areas are inviting. Maintenance is consistently high. The environment supports learning effectively.

ACADEMIC QUALITY & CURRICULUM

The curriculum is challenging and well structured. Students are encouraged to think independently. Academic expectations are clear. Instruction is generally engaging. Progress tracking is transparent. Overall quality is strong.

PARENT-TEACHER COMMUNICATION

Communication can sometimes feel overly formal and delayed. Important updates are not always timely. It can be hard to get quick responses. Messaging varies across classes. This leads to occasional confusion. Improved responsiveness would help.

STUDENT EXPERIENCE & WELLBEING

Students appear comfortable and engaged. There is attention to emotional wellbeing. My child enjoys school activities. Support systems exist when needed. Social interactions are encouraged. The experience feels balanced.

TEACHER QUALITY & STABILITY

Teachers are knowledgeable and professional. Lessons are well planned. Staff seem committed to student success. Turnover has been manageable. Relationships with students are positive. Teaching quality is reliable.

SCHOOL LEADERSHIP & COMMUNITY

Leadership maintains clear standards but can feel distant. Community engagement exists but could be stronger. Decisions are communicated formally. There is room for more dialogue with parents. The structure is solid. A warmer approach would help.

RESOURCES & CAPACITY

Some resources feel limited relative to demand. Support services can be stretched. Class sizes impact individual attention. Teachers manage well under pressure. Capacity planning could improve. Investment is needed.
