

# Hamelin-Laie International School, Barcelona

## INFRASTRUCTURE & FACILITIES

Facilities are clean and thoughtfully designed. Classrooms support collaborative learning. Outdoor areas are appreciated. Some spaces feel busy. Maintenance is consistent. The environment supports learning.

## ACADEMIC QUALITY & CURRICULUM

The academic program is rigorous and well structured. Students are encouraged to think critically. Expectations are high but clear. Teaching is engaging. Progress is closely monitored. Academic quality is a strength.

## PARENT-TEACHER COMMUNICATION

Communication is generally clear but can feel formal. Updates are shared regularly. Teachers are approachable once contacted. Some information could be more proactive. Overall communication is adequate. Consistency could improve.

## STUDENT EXPERIENCE & WELLBEING

Students feel supported academically and socially. Wellbeing is acknowledged. My child enjoys school life. Peer relationships are encouraged. Support systems exist. The environment feels balanced.

## TEACHER QUALITY & STABILITY

Teachers are knowledgeable and professional. Instruction is consistent. Staff turnover has been limited. Teachers build strong relationships with students. Teaching quality is reliable. Confidence in staff is high.

## SCHOOL LEADERSHIP & COMMUNITY

Leadership can feel distant from parents. Opportunities for engagement are limited. Communication feels one-directional at times. Transparency could improve. This affects trust. A more inclusive approach would help.

## RESOURCES & CAPACITY

Some resources feel limited. Support services can be stretched. Class sizes impact individual attention. Teachers manage well under pressure. Capacity planning needs improvement. Investment would help.
