

Avenues New York, New York

INFRASTRUCTURE & FACILITIES

The facilities are modern and thoughtfully designed for student learning. Learning spaces feel flexible and adaptable to different activities. Technology is well integrated into classrooms. Common areas encourage collaboration and creativity. Maintenance standards are high throughout the campus. The environment reflects the school's educational vision.

ACADEMIC QUALITY & CURRICULUM

The curriculum is rigorous and encourages deep thinking. Students are exposed to interdisciplinary learning in a meaningful way. Expectations are high but supported with strong guidance. There is a clear focus on global perspectives. My child feels intellectually engaged. Academic quality is a major strength of the school.

PARENT-TEACHER COMMUNICATION

Teachers are responsive and open to dialogue with parents. Updates are shared regularly through clear channels. Parent meetings feel purposeful and informative. Concerns are acknowledged in a timely manner. Communication feels respectful and collaborative. It helps build confidence in the school.

STUDENT EXPERIENCE & WELLBEING

Students are encouraged to be curious and confident. There is a noticeable emphasis on wellbeing alongside achievement. My child feels heard and supported by staff. Peer interactions are generally positive. Support systems are available when needed. The student experience feels well rounded.

TEACHER QUALITY & STABILITY

Teachers demonstrate strong subject knowledge and enthusiasm. Instruction feels engaging and well planned. Staff seem aligned with the school's philosophy. There is consistency across grade levels. Teachers build meaningful relationships with students. Overall quality is high.

SCHOOL LEADERSHIP & COMMUNITY

Leadership sets a clear vision, though decision-making can feel distant at times. The school community is diverse but sometimes fragmented. Engagement opportunities exist, but not all families participate equally. Communication from leadership is generally polished. There is room for stronger connection with parents. The foundation is solid but could feel warmer.

RESOURCES & CAPACITY

The school is well resourced compared to many others. Learning materials are current and varied. Support services are generally accessible. Programs feel thoughtfully funded. While demand is high, capacity is managed carefully. Resources clearly support the educational model.
