

# Eton School, Mexico City

## INFRASTRUCTURE & FACILITIES

Facilities are clean and functional. Classrooms support learning well. Outdoor spaces are appreciated by students. Some areas feel dated. Maintenance is handled reasonably. Overall infrastructure meets expectations.

## ACADEMIC QUALITY & CURRICULUM

The curriculum is structured and academically demanding. Students are encouraged to achieve high standards. Teaching supports core learning objectives. Assessment is clear. Academic progress is monitored. Quality is solid.

## PARENT-TEACHER COMMUNICATION

Communication can feel inconsistent across levels. Some updates arrive late. It is not always clear whom to contact. Follow-up can be slow. This creates frustration. Improved clarity would help.

## STUDENT EXPERIENCE & WELLBEING

Students experience a structured academic environment. Wellbeing support exists but feels secondary to academics. My child feels safe but under pressure at times. Social opportunities are present. Balance could improve. The experience is mixed.

## TEACHER QUALITY & STABILITY

Teachers are knowledgeable and professional. Instruction is generally consistent. Staff expectations are clear. Turnover has been manageable. Teaching quality is reliable. Students benefit from structure.

## SCHOOL LEADERSHIP & COMMUNITY

Leadership communication can feel distant. Parent engagement is limited. Decisions are not always clearly explained. Community connection feels weak. Trust could be strengthened. A more open approach is needed.

## **RESOURCES & CAPACITY**

Resources feel stretched in some areas. Support services are limited. Class sizes impact attention. Teachers work hard to manage demands. Capacity planning needs improvement. Investment would help.
