

# **Collège du Léman, Versoix (Geneva)**

## **INFRASTRUCTURE & FACILITIES**

The campus is modern and well designed. Learning spaces feel flexible and inviting. Technology is integrated effectively. Outdoor areas are well maintained. Maintenance standards are high. Facilities strongly support learning.

## **ACADEMIC QUALITY & CURRICULUM**

The curriculum is challenging and internationally oriented. Students are encouraged to think independently. Academic expectations are clear. Instruction is generally engaging. Progress is monitored carefully. Overall standards are strong.

## **PARENT-TEACHER COMMUNICATION**

Communication is clear and structured. Teachers respond promptly to inquiries. Updates are shared regularly. Meetings are informative. Parents feel informed. The process feels organized.

## **STUDENT EXPERIENCE & WELLBEING**

Students have access to wellbeing support, though it can feel formal. My child feels safe but somewhat pressured academically. Social opportunities exist. Support is available when requested. Balance could improve. The experience is mixed.

## **TEACHER QUALITY & STABILITY**

Teachers are knowledgeable and professional. Instruction is consistent across subjects. Staff collaboration is evident. Turnover has been minimal. Students benefit from stability. Teaching quality is strong.

## **SCHOOL LEADERSHIP & COMMUNITY**

Leadership communicates a clear direction. Community events are well organized. Families feel included. Feedback channels exist. There is a sense of structure and purpose. The community feels engaged.

## **RESOURCES & CAPACITY**

Some resources feel stretched due to school size. Support services can be busy. Access is not always immediate. Teachers manage workload well. Capacity planning could improve. Investment would help.
