

# **Oakridge International School Bachupally, Hyderabad**

## **INFRASTRUCTURE & FACILITIES**

The campus is clean and well organized for daily school routines. Classrooms are comfortable and generally well maintained. Outdoor areas are appreciated by students, though they can feel busy. Maintenance issues are addressed in a reasonable timeframe. Safety procedures are visible. Overall, facilities meet expectations.

## **ACADEMIC QUALITY & CURRICULUM**

The academic program is structured and challenging. Students are encouraged to think critically and independently. Expectations are clearly communicated. Teaching aligns well with the curriculum. My child feels engaged in learning. Academic quality is a clear strength.

## **PARENT-TEACHER COMMUNICATION**

Communication can feel inconsistent across grade levels. Some updates arrive late or lack detail. It is not always clear whom to approach for specific concerns. Follow-up sometimes requires reminders. This can be frustrating for parents. Clearer processes would improve confidence.

## **STUDENT EXPERIENCE & WELLBEING**

My child feels comfortable and safe at school. There is visible attention to wellbeing. Students are encouraged to participate in activities. Peer interactions are generally positive. Support is available when needed. The atmosphere feels caring.

## **TEACHER QUALITY & STABILITY**

Teaching quality is generally good but varies by class. Some staff changes have affected continuity. New teachers are supportive but still settling in. Standards remain acceptable overall. Stability could improve. The experience feels mixed.

## **SCHOOL LEADERSHIP & COMMUNITY**

Leadership appears approachable and open to feedback. Community events help families connect. Communication from leadership is generally clear. Parents feel welcomed. There is a sense of progress. The community atmosphere is positive.

## **RESOURCES & CAPACITY**

Resources feel stretched as enrollment grows. Support services are limited. Class sizes can affect individual attention. Teachers manage well under pressure. Capacity planning needs improvement. Additional investment would help.
